Risk Factors: Mutual funds, like securities investments, are subject to market risks and there is no guarantee against loss in the Scheme or that the Scheme's objectives will be achieved. As with any investment in securities, the NAV of the Units issued under the Scheme can go up or down depending on various factors and forces affecting the securities markets. Past performance of the Sponsor or mutual funds managed by the Sponsor or its affiliates does not indicate the future performance of the Scheme. Investors in the Scheme are not being offered a guaranteed or assured rate of return. The Scheme does not guarantee or assure any dividend and also does not guarantee or assure that it will make any dividend distribution, though it has every intention to make the same. All dividend distributions are subject to the investment performance of the Scheme. **AIG Infrastructure & Economic Reform Fund** (An open ended equity scheme; the investment objective of the scheme is to generate long-term capital appreciation from a diversified portfolio of predominantly [at least 65%] equity and equity-related securities of companies involved in economic development of India as a result of potential investments in infrastructure and unfolding economic reforms) is the name of the Scheme and does not, in any manner, indicate the quality of the Scheme, its future prospects or returns. Please read the Offer Document before investing.
